The Story of Horizon

Horizon Travel started in the 1950's as a fictitious travel company dedicated to the idea of building a story for our clients through destination locations.

In the beginning, we focused on the journey of the sea and the allure of the air, taking our clients on the journey of a lifetime.

Now, we have expanded our services to include train, plane, and concierge car to destination hop on your journey.

Please allow horizon Travel to fulfill your journey and destinations.
